Monday the great influx of visitors began and before nightfall 15,000 Knights had invaded the town. The entire day was given over to receptions and social affairs. The convention proper opened on Tuesday, when an all-day business session was held. In the evening a grand ball was given at the Second Regiment armory. Thousands of Knights and their ladies made the scene a brilliant one.

Cardinal Gibbons arrived on Monday morning and was given a royal welcome by the Knights, who escorted him to the City Hall, where Mayor Studley delivered the formal address of welcome. The convention closed Friday with an exemplification of the fourth degree. The various chairs were occupied by some of the most distinguished State Deputies in the country. Continue to Increase in Popularity Each Succeeding Day.

Passenger traffic to Silver Hills is the Indiana knobs is a natural park and for beauty and diversity of scenery has no superior in the country. Hundreds of our people hurry from the dust-laden city every day to get a few breaths of fresh air high up in Silver Hills. Many people have built homes on these hills and many others are seeking boarding accommodations. Several families are contemplating the erection of tents and

Nearly every day church and Sunday-school picnics are being held there and the popularity of the resort is constantly increasing. Cars leave Third and Market streets every fifteen minutes.

BROTHERS' REUNION

Remarkable Family of Nine Are Assembled in Chicago.

A remarkable family reunion was held in Chicago this week, where nine brothers, all born in Ireland, are meeting after many years of separation. The reunion began last Sunday, when the Rev. Father Horan, of Little Rock, clasped hands with his brother John Horan, a wealthy meat packer of Australia. These two met in a hotel in St. Louis. Later the two were joined by Joseph Horan, a medical student in St. Louis. These three had not seen each other in twenty years. William Henry Horan, another brother from Australia, arrived Monday and the four went to Chicago. Later in the week they were joined by Michae and Paul Horan, wealthy manufacturers and army purveyors in Ireland, and Kieran Horan, a prosperous New York architect. Daniel Horan, of New Zealand, and Thomas Horan, a miner and nine owner of Australia, are expected to arrive during the week.

Father Bernard F. Horan and his brother Joseph are graduates of the University of Dublin. The former also received his degree as Doctor of Divinity from the Propaganda in Rome. The reunion was planned for the St. Louis Fair two years ago, but the Australian brothers were unable to attend.

FEAST AND FURIES.

Magnificent Spectacle to Be Presented at Jockey Club Park.

"Feast and Furies" will be the grand

spectacular attraction at Jockey Club Park from Monday to and including Saturday night, with matinees on all but the opening day. Press reports from other cities where this magnificent spectacle has been produced declare that it surpasses "Aladdin and His Wonderful Lamp" for rapid changes. It is peculiarly appropriate for this spectacle to be produced during "home coming" week. The astonished spectators gaze for a moment upon green grass. In the twinkle of an eye a metropolital city appears. The streets and buildings are illuminated by electricity, trolley cars are running, horses; wagons and people commingle on the streets. Men, women, children, horses and other beasts of burden are alive. It is no picture scheme. A holiday is being celebrated and a public performance is being given. There are bands of music, banners, floral decked coaches and all that goes to make a civic parade. Suddenly an anarchist uprising takes place and the scene of joy changes to one of horror. The police are overcome by the enemies of law and order. Mackin Council to a debate. The matter Soldiers are called and a Gatling gun
